TECHNICAL SPECIFICATIONS

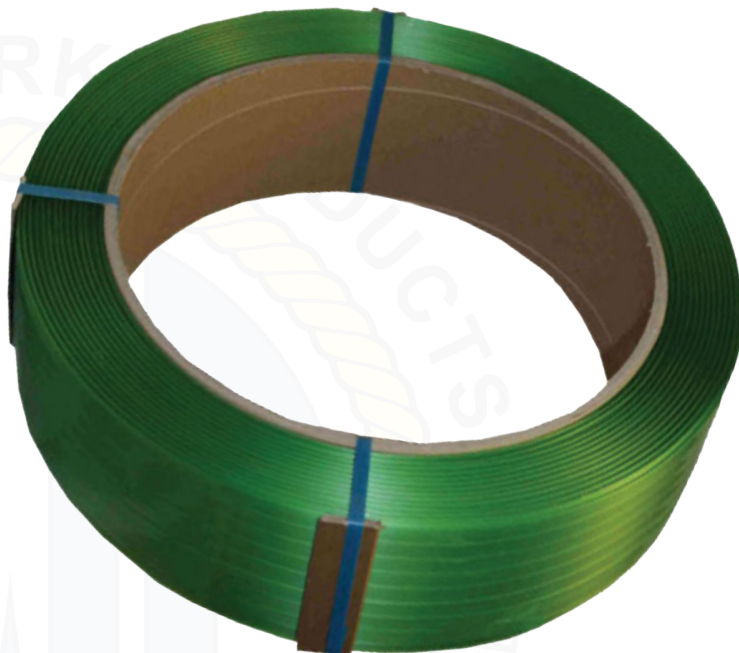

GWP Polyester Strapping - 7/16" x .021" x 10,500' Green 16" x 6" Core

Part #: SPEGMG71650016x6

GWP polyester strapping offers a stronger securing solution compared to regular polypropylene strapping for demanding applications. Furthermore, it prevents rust and product staining from environmental exposure, a common issue with steel strapping, and is less likely to cause indentation on delicate package corners.

FEATURES

- Green strapping with a 16" x 6" core.
- A dependable alternative to steel strapping.
- Suitable for heavy-duty baling, bundling, and palletization.
- Maintains tightness and resists breakage under stress.
