TECHNICAL SPECIFICATIONS

Pull Tape

Our premium polyester pull tape is lightweight, thin, and high strength resulting in enhanced efficiency and worker safety. This wide and flat profile is mostly used in small and almost impossible to reach ducts and conduits. Marked with printed measurements every foot, our premium pull tape is perfect for contractors. When pulling heavy cables, the construction of this cord protects it from heat and friction, preventing breaks.

- Available Colors: White
- Standard widths are 1/2", 5/8", and 3/4"
- Master reels of 3000 ft. to 5000 ft.

FEATURES

- Low Stretch
- Abrasion Resistant
